The Florida Emerging Leaders Award aims to honor exceptional members who have exhibited the 4 DECA Core Values of **Competence, Innovation, Integrity, and Teamwork**. We want you to share your DECA STORY specifically sharing how you have integrated the DECA Core Values into your DECA life.

Use this application as a “cover sheet” for your applicant packet. Attach additional pages demonstrating how you have applied the DECA Core Values. You may submit as many pages, photos, etc. as you desire. See the chart below to better understand how the Core Values are integrated into your DECA story. You are encouraged to add your own examples as we just provide a few to get your creative juices flowing.

Applications will be evaluated based on the content you provide demonstrating strong integration of the 4 DECA Core Values.

Awardees will be announced at the 2017 Career Development Conference.

## Competence

A competent member demonstrates advanced skills in DECA knowledge and expresses commitment to the organization.

*Example:*

- *Success at competition*
- *Develop recruitment activities*
- *Develop DECA Advocacy*
- *Participation in DECA for multiple years and mentor peers*

## Innovation

An innovative member has made a change for the betterment of DECA and develops opportunities for fellow members and their chapter.

*Example:*

- *Involvement in execution of new DECA Month activity*
- *Development and implementation of a chapter strategy*
- *Participation in DECA Idea Challenge during GEW*

## Integrity

A member who demonstrates and encourages good character and ethics within their DECA chapter.

*Example:*

- *Takes initiative*
- *Being responsible*
- *Assisting members in need*
- *Working together as a team*
- *Encourages participation of all members*

## Teamwork

A team player who has exhibited leadership qualities that allow for success of the group and encourages their team members to become stronger DECA members

*Example:*

- *Leadership within chapter such as an executive position*
- *Involvement in chapter project*
- *Involvement in execution of a bonding activity*
