EXECUTIVE OFFICER CANDIDATE  
**APPLICATION GUIDE**

EXECUTIVE PRESIDENT  
EXECUTIVE VICE PRESIDENT

# TEAM 66

## Candidate Packet & Contract

It takes a special individual to serve as an officer. Officer candidates must be organized, motivated, professional, and eager to work as a team. Candidates must have initiative and high moral and ethical standards. Candidates must also be ready to make DECA a top priority and be willing to present a positive image on behalf of our organization.

You will find this position rewarding, but that reward is earned through passion and commitment to leaving Florida DECA better than you found it while working as a team. You will develop and define your tasks and assignments through Florida DECA's State Action Plan. You will be celebrated for your successes and held accountable for your lack of action.

Before you begin your quest to be a member of Team 66, it is important to stop and think of this role and the challenges that await you. In addition, have a discussion with all stakeholders in your life regarding this next step. This includes your Advisor, chapter, friends, parents, and other organizations you are involved with, as your relationships may change.

Above all, we are looking for student leaders eager to give back. Students that see this as an opportunity to support their fellow members, not as something to just add to your resume.

This packet is designed to provide you with resources and tools to guide you through the application process and includes information related to:

- Chartered Association Officer Application
- Chartered Association Officer Data Sheet
- Chartered Association Officer Team Uniform
- Chartered Association Officer Qualifications, Responsibilities and Obligations
- Chartered Association Officer Month-To-Month Checklist
- Chartered Association Officer Essay Topic

If the team works together anything is truly possible with communication, commitment, and passion. If you are up for this challenge, please complete this entire packet. Thank you for wanting to make a difference with Florida DECA.

## Team Uniform *Your clothing will be mailed to you before LTS*

If you are elected as a member of Team 66 you will be required to have an official uniform. Mrs. DeLeonardo will handle selection and approval of the formal and business wear uniforms. Your uniform will be ordered using the information you provide below. It is suggested you go to a store like Macy's and get yourself measured if you are not sure of sizing.

Female pants will be in "regular" size only. They do not come in "petite" sizes. Some clothing may require alterations (hem, etc.) at your cost. If you record the incorrect size, it will be your responsibility to make exchanges and/or alterations.

You will be billed (approximately \$450) for your uniform by Florida DECA. Have a conversation with your chapter advisor. Some chapters pay this expense while others make it the officer's responsibility. We will make every effort to keep costs to a minimum. You are responsible to secure your own DECA blazer from your chapter or by ordering one from [www.shopdeca.org](http://www.shopdeca.org).

Please complete the sizing information as part of this packet. You must bring all uniforms and pins to all events and conferences. You will be responsible for your socks, under garments, and DECA blazer with current official patch.

## ASSOCIATION OFFICERS

The role of a Florida DECA Officer is a challenging yet rewarding leadership and management experience. Your primary goal as an officer is to aid in the motivation of members throughout our chartered association to be academically prepared, community oriented, professionally responsible, and experienced leaders. You are an ambassador of our organization. You grow as a leader from your chapter to the whole delegation. It is always your Florida delegation before your own chapter.

### Executive President Leader

The President is the highest-ranking member of the team who is responsible for guiding the direction of our internal and external goals. The President will also serve as a mentor to the Executive Vice President.

### Executive Vice President Manager

The Executive Vice President is the second in command who will aid the President with guiding the direction of our internal and external goals. In addition, the Executive Vice President will mentor the Vice Presidents and aid them in the completion of their tasks.

### Vice Presidents Lifeline

The Vice Presidents are the officers who put our internal and external goals into action. Their efforts will be directed to the chapter officers, members, and advisors.

## **CHARTERED ASSOCIATION OFFICER SOCIAL MEDIA POLICY**

### **PROTECT YOUR OWN PRIVACY**

Privacy settings on social media platforms should be set to what you are comfortable with. Other privacy settings that might allow others to post information or see information that is personal should be set to limit access. Be mindful of posting information that you would not want the public to see.

### **BE HONEST**

Nothing gains you notice in social media more than honesty - or dishonesty. Do not say anything that is dishonest, untrue, or misleading. If you have a vested interest in something you are discussing, point it out. But also, be smart about protecting yourself and your privacy. What you publish will be around for a long time, so consider the content carefully and also be cautious about disclosing personal details.

### **RESPECT YOUR AUDIENCE, FLORIDA DECA, AND YOUR FELLOW MEMBERS**

The public in general, and Florida DECA's staff and members, reflect a diverse set of customs, values and points of view. Don't say anything contradictory or in conflict with the Florida DECA website. Don't be afraid to be yourself but do so respectfully. This includes not only the obvious (no ethnic slurs, offensive comments, defamatory comments, personal insults, obscenity, etc.) but also proper consideration of privacy and of topics that may be considered objectionable or inflammatory - such as politics and religion. Use your best judgment and be sure to make it clear that the views and opinions expressed are yours alone and do not represent the official views of Florida DECA.

### **CONTROVERSIAL ISSUES**

If you see misrepresentations made about Florida DECA in the media, you may point that out. Always do so with respect and with the facts. If you speak about others, make sure what you say is factual and that it does not disparage that party. Avoid arguments. Brawls may earn traffic, but nobody wins in the end. Don't try to settle scores or goad competitors or others into inflammatory debates. Make sure what you are saying is factually correct.

### **BE THE FIRST TO RESPOND TO YOUR OWN MISTAKES**

If you make an error, be up front about your mistake and correct it quickly. If you choose to modify an earlier post, make it clear that you have done so. If someone accuses you of posting something improper (such as their copyrighted material or a defamatory comment about them), deal with it quickly - better to remove it immediately to lessen the possibility of a legal action.

### **THINK ABOUT CONSEQUENCES**

Remember that you are in a fishbowl - everyone is looking and watching what you do. Posting pictures is appropriate when it represents what Florida DECA stands for. You are the face of Florida DECA. Participating in illegal activities such as smoking, drinking, or behavior that is not representative of our professional organization may result in dismissal from office.

## **CHARTERED ASSOCIATION OFFICER SOCIAL MEDIA POLICY CONTINUED**

### **SOCIAL MEDIA TIPS**

The best way to be interesting, stay out of trouble, and have fun is to write about what you know. There is a good chance of being embarrassed by a real expert, or of being boring if you write about topics, you are not knowledgeable about.

Quality matters. Use a spell-checker. If you're not design-oriented, ask someone who is whether your graphics looks decent, and take their advice on how to improve it.

The speed of being able to publish your thoughts is both a great feature and a great downfall of social media. The time to edit or reflect must be self-imposed. If in doubt over a post, or if something does not feel right, either let it sit and look at it again before publishing it or ask someone else to look at it first.

A picture is worth a thousand words. Think about who, what, and where the picture is being taken ... what would your parents or your boss think about the picture?

**BELOW ARE NON-NEGOTIABLE SOCIAL MEDIA POLICIES FOR FLORIDA DECA OFFICERS. VIOLATION OF THESE POLICIES MAY RESULT IN IMMEDIATE DISMISSAL FROM YOUR POSITION AS A CHARTERED ASSOCIATION OFFICER.**

1. Executive Director and Officer Coordinator has full access to all Florida DECA social media pages, including passwords and usernames. State officers may not change passwords without written permission from the Executive Director and Officer Coordinator.
2. Executive Director and Officer Coordinator will determine what email and phone numbers should be used for these accounts
3. State Officers will confirm with the Executive Director and Officer Coordinator that the Executive Director has all of the correct passwords before leaving their office at the end of their term.
4. While acting in their official Florida DECA capacity, any posting, following, retweeting or other interaction with pages including politics, gambling, pornography, or any subject that is not connected with DECA and its mission may be met with immediate dismissal.
5. Any changes to the Florida DECA Social Media profiles including but not limited to, bios, header pictures, profile pictures, and links must be approved through the Executive Director and Officer Coordinator.
6. Policies related to the posting of content are subject to Executive Director and/or Officer Coordinator's decision. (i.e., calendar of approved posts).
7. Executive Director and Officer Coordinator have final say over any Florida DECA social media platforms and postings. Officers are not allowed to begin posting on a new platform without prior permission from the Executive Director and/or Officer Coordinator.
8. Officers' personal social media must reflect a positive image upon themselves and DECA.

# CHARTERED ASSOCIATION OFFICER RESPONSIBILITIES

Your officer team will also be responsible for the development of the Annual Business Plan. The strategic plan consists of goals to be accomplished during the term by chapters. It provides a road map for chapters to participate with the Florida DECA Chartered Association.

As a team and as an individual, it will be your responsibility to educate chapter advisors, officers, and members about the Annual Business Plan and to encourage participation. In addition, you will be required to do the following:

- Encourage chapters to attend the Florida DECA Emerging Leaders' Summit
- Establish the fall and spring statewide community service collection drive, "Florida DECA Helping Hands".

When representing our organization, the officer must be dressed in their approved uniform. Additionally, officers should avoid expressing personal opinions regarding political or controversial issues when representing the chartered association. Remember, it is your task to separate your roles and responsibilities from your district and/or chapter and lead as a Florida DECA Chartered Association Officer.
